

Spring Bulb Basket

Prep Time *15 minutes*

Blooming Time *begins after a few days*

Components

1 – 10” basket of choice (at least 4-5 inches deep) with a plastic liner

12 bulbs - starts* of choice: 3 Tulips, 3 Tete Daffodils, 3 Hyacinths, 3 Muscari

4 cups of potting soil

1-2 handfuls of green sheet moss

6 pieces of pencil Pussy Willow

Step 1 – Start with a basket with clean plastic lin

Step 2 – Add 1.5 cups of potting soil to the bottom of the liner

Step 3 – Place the tulip bulbs in the liner to one side

Step 4 – Place the tete daffodils in the liner opposite the tulips

Step 5 – Place the hyacinth bulbs between next to the tulips leaving a space for the muscari

Step 6 – Place the muscari bulbs in the space between the hyacinths and the daffodils

Step 7 - Add potting soil to fill in between bulbs

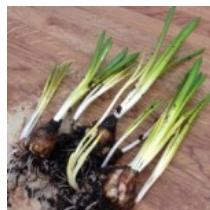

Step 8 – Add 1 cup of water to the bulb garden without causing soil to spill over the liner

Step 9 – Spread the sheet moss on top of the soil between the bulbs for a “finished look”

Step 10 – Add the pussy willows to the basket in a group between the tulip bulbs. Water the bulb garden approximately 2 -3 times per week. Keep the garden away from heat and direct sunlight to prolong bloom. You can mist the petals of your flowering bulbs with water once a day to keep the flowers looking fresh
